

### Upcoming Dates

i-Ready Reading and Math  
Diagnostic tests must be  
independently completed by  
September 18, 2020

### Important Information

We will be meeting with our  
Kindergarten students September 14-  
25 in various locations to administer  
the KRA - Kindergarten Readiness  
Assessment. We look forward to  
meeting each kindergarten student and  
his/her parent!

### Box Tops

Please download the digital BoxTops app and connect to  
Buckeye Online School for Success to scan your  
receipts. If you purchase items that have clipped Box  
Tops, you can clip and scan them! Thanks for your help  
as we work together on getting funds for our school.

### A Look Ahead

We have already completed  
3 weeks of school! As your  
children get into their class  
routines, please keep  
communication open with  
teachers and your children.  
Checking your student's  
gradebook is a great way to  
assure that your child is  
keeping up with assignments.  
If you have not yet turned in  
**Proof of Residence**, please  
do so ASAP. This needs to  
be done yearly.
