

## Serving Students and Families Across Ohio

### **Welcome Families!**

We are so glad you have chosen to partner with Buckeye Online for your child's education. It is an honor and a privilege to serve you and your family. We have created this to serve as a resource for you and your family.

There are many agencies throughout Ohio dedicated to serving individuals and families during times of crisis. The agencies listed are not endorsed by Buckeye Online. We simply wanted to provide our families with this list of resources available to assist them during any challenges they may face.

### **Communities Served:**

*Akron-Ashtabula-Canton-Cincinnati-Cleveland-Columbus-Dayton-East Liverpool-Toledo-Youngstown*

Our students come to us from a variety of locations across Ohio, from rural landscapes to urban areas and the numerous suburbs in between. If there is a location that is not represented in this resource, please let us know so we can include it.

---

## About Us

The Buckeye Online School for Success is a public, k-12, tuition-free, online school open to all students from the state of Ohio. So what does all that mean? First and foremost, we are a public school. All students regardless of race, religion, or financial status are welcome to enroll in our school. We are a k-12 school who serve all students from kindergarten through their senior year. We are entirely tuition-free, and provide every student with a computer to use throughout their duration enrolled in our school. Finally, we are 100% online. While we typically follow your normal bell schedule, all students attend their classes right from their computers in their own homes. Our classes are live with a state accredited teacher, while maintaining a great student to teacher ratio. Read about our mission and vision statements below

### Our Mission

The Buckeye Online School for Success is dedicated to educating all students in its diverse population by offering academic choices to meet their individual needs. Our school is committed to preparing lifelong learners and productive citizens through collaboration with staff, families, and communities utilizing cutting edge technology.

### Our Vision

Guided by the highest expectations, the Buckeye Online School for Success will serve as the foundation for the future of our students. As a center for educational and technological innovation BOSS promotes 21st century learning and we are the connecting link between students, parents, staff, and community.
